

Rajshahi University of Engineering & Technology

Department of Mechatronics Engineering

LAB REPORT INDEX

Course no: **MTE 3206**

Course Title: **Hydraulic and Pneumatic Control Sessional**

Report No.	Experiment Name
1	Study of the components of Hydraulic/Pneumatic control system.
2	Study of FluidSIM Software and Investigation of Basic Operations.
3	Simulation and Operation of pneumatic circuits for Latching, timers, logic sequencing and counter operations.
4	Study of a Single Acting Cylinder Using Logic IC Gate.
5	Design and Investigate the Stable and Unstable Control of a Double Acting Cylinder.
